The undersigned has reviewed the Motion to Seal and considered the public's interest in access to the unredacted Motion to Dismiss and alternatives to sealing.

The redacted material pertains to Defendant's personal medical and psychological information. Other documents containing such information have been sealed in this matter. See Forensic Evaluation (Doc. 18); Forensic Evaluation (Doc. 26); unredacted copy of Joint Request for Transportation (Docs. 32, 33); Forensic Addendum and Court Update (Doc. 34).

The Government has no objection to the Motion to Seal.

The Motion to Seal and a redacted copy of the Motion to Dismiss have been on the public docket since December 15, 2023.

Under these circumstances, the undersigned finds that the sealing of an unredacted copy of the Motion to Dismiss is appropriate.

IT IS THEREFORE ORDERED THAT Defendant's Motion to Seal (Doc. 36) is **GRANTED** and Defendant's Motion to Dismiss Supervised Release Petition and to Release Ms. Johnson (Doc. 37) shall remain sealed. This ruling is subject to further consideration by the Court, including upon a subsequent motion to unseal, as may be necessary.
